

2022,

Always look on...

THE BRIGHT SIDE OF LIFE

2022 was a year of torment, marked by extreme climatic phenomena. But our vines were resilient, giving us an exceptional vintage and a life lesson. Nature doesn't stop.

Indeed, the 2022 vintage was ahead of schedule at every stage of the growth cycle, until the harvest.

The climatic conditions allowed the different grape varieties to reach perfect maturity in an excellent sanitary state.

"With its deep garnet colour and purple hues, Château Lynch-Bages 2022 has a pleasant and complex nose. The wine displays a rich aromatic palette of black and red fruits (blackcurrant, Morello cherry...) topped by spicy notes and is marked by impressively mature tannins and remarkable acidity."

Nicolas Labenne, technical director, May 2023.

Appellation

Pauillac

Ageing

18 months in French oak barrels
(75% new wood)

Surface

105 hectares

Blend

66% Cabernet Sauvignon
28% Merlot
