

2022,

Always look on...

THE BRIGHT SIDE OF LIFE

2022 was a year of torment, marked by extreme climatic phenomena. But our vines were resilient, giving us an exceptional vintage and a life lesson. Nature doesn't stop.

Indeed, the 2022 vintage was ahead of schedule at every stage of the growth cycle, until the harvest.

The climatic conditions allowed the different grape varieties to reach perfect maturity in an excellent sanitary state.

The wines have a high concentration of anthocyanins and very ripe red fruit aromas. They are particularly rich and have impressively mature tannins.

"Echo de Lynch-Bages 2022 displays purple garnet hues in the glass, with lifted aromas of fresh redcurrant and raspberry. The palate unfolds with a round tannic structure perfectly balanced between elegance and freshness."

Nicolas Labenne, technical director, May 2023.

Appellation

Pauillac

Ageing

14 months in French oak barrels
(new oak and one-year old barrels)

Surface

105 hectares

Blend

64% Cabernet Sauvignon

Terroir (soil)

31% Merlot

Garonne gravel

5% Cabernet Franc

Harvest

Hand-picked and sorted
at the vineyard and table.

2-24 September

Analyses

Acidity: 3,9 g/L d'H₂SO₄

Alcohol: 13,5% vol.

pH: 3,69

Average yields (appellation)

34 hL/ha

TPI: 91
